

## Top 5 reasons to become a Park Pal!

**#5** Avoid the pressure of being asked to attend a guided tour program each time you visit.

**#4** Be an ambassador for the animals—as members come to know the animals and their histories, they can help us educate others about how to behave in a respectful, appropriate manner around them.

**#3** Membership fees directly fund food, water, enrichment, medicine, supplements, and veterinary care for the animals.

**#2** Members enjoy 10% off all merchandise purchases made in the Wolf Den Gifts & Things, plus advanced registration ahead of non-members for our most popular, limited attendance special events.

**#1** Members enjoy free General Visitation and select guided tour programs for a minimum of one full year from join date.

**We simply could not do what we do without the growing support of our Park Pal members! Your participation can help us save and change more lives. We hope you'll join us today!**
